Title: Seminar on “Innovation and Entrepreneurship”

Date: 27/09/2023

Speaker: Mr. Vishram Bapat, Entrepreneur, Mentor for Startups, Career Guidance, Industry-Academic Interface, Soft Skill Development. Director, Incubator for Women Entrepreneurs, SNDT WU.

Description: The talk took us to a brief overview about innovation and entrepreneurship. During the interactive session, exciting ideas and real-life success stories of young entrepreneurs were discussed. Real-life case studies of young entrepreneurs who started small ventures and achieved remarkable success were discussed. This allowed students to connect with the stories and understand that age is not a barrier to pursuing their dreams. The program focused on nurturing an entrepreneurial mindset among the students. They were taught to view challenges as opportunities and to approach problem-solving with creativity and resilience. Students were encouraged to embrace failure as a stepping stone to success. They learned that failure is a natural part of the entrepreneurial journey and an opportunity to learn and grow. The program emphasised entrepreneurship as a viable and fulfilling career option. Students were exposed to the various support systems available for aspiring entrepreneurs, such as incubation centres and startup accelerators. Overall, the Innovation & Entrepreneurship Program had a profound impact on the students, igniting their passion for entrepreneurship and instilling a sense of self-belief.
